

Helping You Save Money on Generic Medications

Clinically-based solutions for improved adherence

At Magellan Rx Management, we are dedicated to helping people live healthy, vibrant lives. Magellan Rx has partnered with medtipster™/free to help you find savings on generic medications at local pharmacies. You can use your prescription ID card and medtipster/free's convenient website to find thousands of generic prescription medications available at no cost to you.

How to Use medtipster/free Program

- 1 Visit medtipster/free.com
- 2 Search for drug name: Enter drug name, dosage and zip code
- 3 Locate Pharmacy
- 4 Pick up Prescription: Present your medtipster ID card and pick up your generic medications for \$0
