SUMMARY

Working under the general supervision of the Supervisor, incumbent acts as a working leader to oversee, direct, and assist a crew engaged in work within the Water Distribution System and Sewer/Storm Collection Systems. The incumbent is expected to exercise good judgment, independence, initiative, and professional expertise in conducting day-to-day operations. All work duties and activities must be performed in accordance with the City and Utility's safety rules and operating regulations, policies and practices as well as federal, state, and local regulations.

ESSENTIAL DUTIES AND RESPONSIBILITIES include the ability to interact with the public, City incumbents, and outside agencies with patience, tact, respect, and professionalism and the following. Other duties may be assigned.

INFORMATION/COMMUNICATION

- Instructs crew members in the proper use of the tools and equipment used in the work, trains and oversees their training in the necessary skills;
- Reports irregularities and abnormal condition on trucks, equipment, tools, etc. to immediate supervisor;

MANAGEMENT/OPERATIONS

- Oversees and directs work crews and assists in the performance of crew duties;
- Performs and/or directs the performance of any of the other work within the range of duties and skills of the line crews;
- Operates and/or directs the operation of equipment and tools when necessary; This may include trucks and associated heavy equipment;
- Competency in the safe use and disposal of a variety of chemicals;
- Prepares daily records and reports of time spent for employees, equipment, and materials on each job, jobs completed, and daily rolling stock and equipment reports.

DIAGNOSTIC/PREVENTATIVE MAINTENANCE

- Oversees and directs excavations for the repair and/or replacement of water distribution assets, sanitary sewer assets, combined sewer assets, and storm sewer assets, and other related structures;
- Excavates for and repairs leaks and breaks in water mains and associated structures and parts;
- Replaces pipe sections;
- Excavates for lays and connects new water mains;
- Installs new services, curb boxes and valve boxes;
- Taps and caulks water mains;
- Installs fire hydrants;
- Installs and repairs large valves, 4" through 24" pipes;
- Silver solders copper pipe and associated fittings and performs other associated plumbing work;
- Forms, mixes, pours, and finishes concrete and/or mortar; Works with asphalt as needed;

- Conducts vehicle pre-trip inspections for the assigned City vehicle(s) daily and responsible for making sure this information gets to the immediate supervisor;
- Provides general maintenance to vehicles, equipment, tools, and work area while keeping them in a clean and orderly condition;

MARGINAL FUNCTIONS

- Assists employees of equal or higher classification;
- Directs the work of employees assigned to assist;
- Performs similar or less skilled work;
- Assists in the training of other employees;
- Performs other duties as assigned.

PERFORMANCE EXPECTATIONS

The incumbent is responsible to manage their performance in accordance with this job description and the performance expectations provided to them by management. If at any time the incumbent is unsure of their role or specific responsibilities, it is the incumbent’s responsibility to refer to their job description and ask for clarification from their supervisor. Management will work with the incumbent, as needed, to ensure performance expectations are clearly communicated and performance goals are achieved.
