

**PETITION FOR INSTALLATION OF NON-STANDARD WARNING SIGNAGE WITHIN  
 CITY OF FORT WAYNE RIGHTAWAY**

*IE: Children at Play, Deaf Child (until the age of 18), Blind Person*

I hereby request the City of Fort Wayne, Traffic Engineering Department, to install signs for motorists that will read “ \_\_\_\_\_ ” at the following locations:

(Locations should be at the boundaries of the neighborhood unless agreed upon.)

---

---

---

---

I understand that if the signs are installed my responsibilities will be:

1. I understand that No signs shall be installed along with any Stop, Yield, Speed Limit, or Parking sign.
2. I will contact the Traffic Engineering Department 260-427-2784 so that the signs may be removed or relocated.
3. I understand that these signs are a warning to motorists and the motorists taking heed to them will determine their effectiveness.
4. The Traffic Engineering Department reserves the right to remove the signage that may be considered unsightly, hazardous, abused.
5. The City is not responsible for replacement
6. All signs must meet Federal MUTCD road sign standards, reflective, .080-gauge aluminum.
7. Upon Approval slow children at play sign shall be purchased by the HOA (applicant), sign shall be 18”X24” black lettering on reflective yellow and .080-gauge aluminum.
