

KNOW SOMEONE WHO WANTS TO START FOSTERING ANIMALS?

➡ We love the how much this group has grown over the last year and we know word of mouth is the best way of advertising and spreading the word!

➡ If you know someone who is interested in becoming a foster, please refer to the steps below. Do not invite them to the Foster Facebook page. They will not be accepted without having an approved application on file and without having contact information there is no way for us to relay this information to them.

➡ The Facebook Group is a private group for current fosters with approved applications on file with the shelter. There are times where we have sensitive/private information regarding animals in foster care and at times there may be legal reasons information needs to remain within this group.

➡ If you know someone interested in fostering:

1. Refer them to the foster section of our website

<https://www.cityoffortwayne.org/volunteer/foster.html> and online application <https://form.jotform.com/201353395282151>

2. You may also advise them to send an email to

foster.help@cityoffortwayne.org

➡ If you know someone looking to adopt and you think there may be a good fit for them with one of the animals currently in foster care, please reach out to us at foster.help@cityoffortwayne.org to find out how to proceed.

➡ If you know someone interested in adopting any of the animals currently in our adoption program please refer them to the adoption portion of our website <https://www.cityoffortwayne.org/adopt.html>
