

BATS

A Free Mini-Book and Writing Reflection

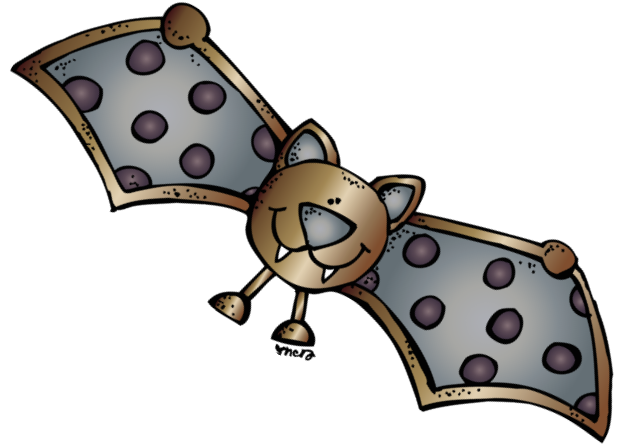

All About Bats

A Mini-Book
from Education to the Core

© Education to the Core

Bats are mammals. They fly.

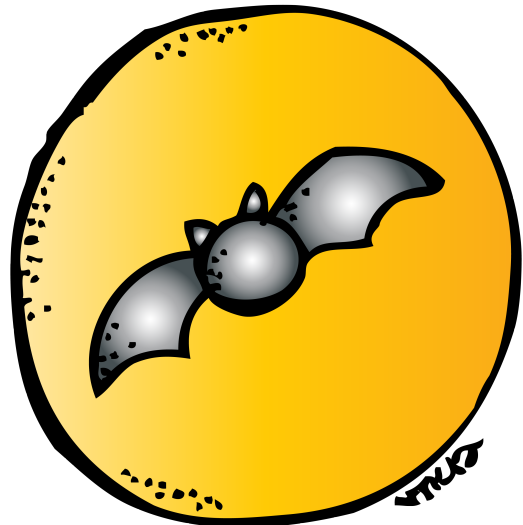

© Education to the Core

Bats are awake at night,
and sleep during the day.

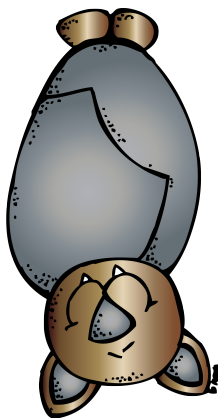

© Education to the Core

Bats can see in the dark.
They make noises to help
them see.

© Education to the Core

Bats sleep upside down.
This helps them to stay
away from danger.

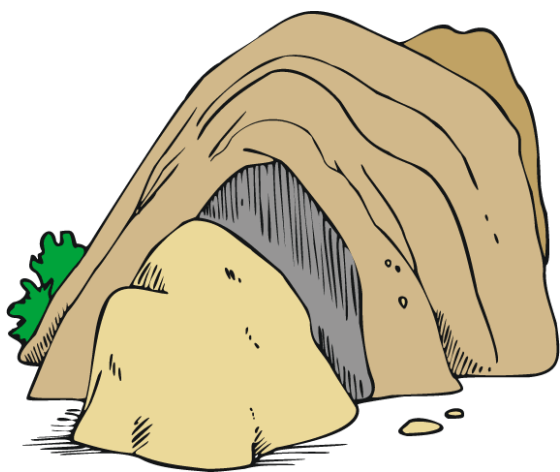

© Education to the Core

Bats have very sharp
teeth.

© Education to the Core

Some bats live in caves
with other bats. Some
bats live by themselves.
