

**City of Fort Wayne  
Emerging Business Enterprise Directory  
May 2025**

The following is a list of business owners who have indicated their interest in participating as subcontractors on City of Fort Wayne contracts. All EBE businesses have been certified by the City's Vendor Compliance Office. All others have been certified by a State or Federally approved agency and have been verified by the City's Vendor Compliance Office. Please be advised that their certification status does not guarantee their ability to perform the type of work indicated. Rather, it indicates that they have met the criteria required for certification.

**Non-Federally Funded Projects:** The City has established a 10% participation goal for emerging business participation.  
**SRF Federally Funded Projects:** The Federal government has established a combined participation goal of 12% for Women Business Enterprises and Minority Business Enterprises.  
**Other Federally Funded Projects:** Participation goals for other Federal aid projects are set by the funding agency and may vary.  
The bidder is required to solicit the interests, capabilities and prices from these businesses to satisfy the City and Federal participation requirements.
