WAYFINDING / GUIDE SIGN APPLICATION

Application is hereby made to the Traffic Engineering Department for Wayfinding / Guide signs to be placed upon City Street Light Poles if separate posts are not feasible.

Applicant (HOA/Business name): _____

Contact Person: _____ Phone (8am-5pm): _____

Applicant will be responsible for the following:

- Notify Traffic Engineering in writing of intent to place new signs.
- Provide details of signs, design proof, dimensions (should not exceed 3 square feet)
- Provide requested locations of poles (with pole numbers, yellow vertical tag) or address/intersection (see hold harmless agreement), (review of locations will be required)
- Provide mounting details for signs. No drilling holes in poles, banding
- Sign Hold Harmless Agreement
- Replacement, Re-installation, or Re-mounting due to maintenance

Sign conditions & Information

- Signs shall meet Federal MUTCD requirements
- Sign material type shall be .080-gauge aluminum
- Signs shall be reflective
- Signs shall not use script lettering
- Signs shall be banded to light poles with City approved banding (no drilling, self-tapping screws or band clamps)
- No more than 6 locations (intersections) will be approved, unless approved by Traffic Engineering Department

Application may be submitted to:

City of Fort Wayne
Traffic Engineering
200 E. Berry St.
Suite 210
Fort Wayne, In. 46802
