## **MEMORIAL PARKWAY DESIGNATIONS**

The City of Fort Wayne Division of Public Works offers the opportunity for the community to designate a section of road as a Memorial Parkway. An application form is listed on the website along with instructions for the application.

Please review the application and note that there is a detailed process of how this works.

Once the application is received by the Board of Public Works, it will be reviewed and details will be worked out with the Traffic Engineering Department for specifics on the signage and the locations for the installation.
